

ROOM 94 IS MORE THAN JUST A ROOM — IT'S A REPRESENTATION OF ADAPTATION AND INCLUSION

Odawa Casino and its venues are owned and operated by the Little Traverse Bay Bands of Odawa Indians, and the number 94 represents a major landmark for the tribe. In September of 1994, the tribe was signed into reaffirmation as a federally recognized sovereign nation. This opened many doors for the tribe, one of which is economic development, which helps to fund tribal services and stimulates economic growth in surrounding community. Sovereignty allows the tribe to be self-sufficient and encourage both the tribe and its neighbors to flourish. Room 94 is an added example of that sovereignty being practiced in a good, positive way.

In Room 94 we've created an inclusive, unique, and inviting space for everyone. The exceptional menu makes it the perfect place to grab a bite with family; the games are ready to host a night of laughter with your friends; the fresh brews have been crafted specially for our beer lovers; the special selection of drinks add a certain flare to your night out; and the one-of-a-kind deck gives you a place for an intimate viewing of the best up-north sunsets over the bay. **We hope you'll take advantage of all Room 94 has to offer—there's always room for everyone.**
